

**Friday, 18th October 2024 - JCR Meeting Minutes**

**Attendees**

Ritika (President), Jessica (VP), Vladimir (Secretary), Anna (WMG), Iris (D&I), Gemma (CCE), Lottie (Bar & Buttery), Keane (Access), Emily (Ents), Sarah (Women's & enby)

**Keane (Access)**

- The deadline for entering the SU Shadowing Scheme is on Monday. There is no longer a general requirement that the incoming mentees have to stay overnight in your accommodation.
- The Arts Competition has now had around 20 entries. Successful entrants will be coming to Peterhouse on the 31st October. Two volunteers are needed to help out during the day.

**Sarah (Women's & enby)**

- Inquired into the welfare budget.

**Lottie (Bar & Buttery)**

- Superhalls are less this term because of staffing issues. There are less seats available because Choir cannot be accommodated in Upper Hall during Superhalls.
- The only left free date for a Superhall is November 29th, it could be a Black History Month themed Superhall.
- Help is needed for pumpkin carving so that there can be pumpkin decorations for the Halloween SH.
- Christmas Superhall is going to be on December 5th and 7th (BCD is on the 6th, so it cannot be two consecutive dates).
- Inquired into the rule of no ball games except croquet within college.

**Emily (Ents)**

- Currently planned: Halloween drag night on November 2nd and Bridgemas bop on Saturday, November 23rd.
- Looking into Christmas decorations for the JCR.
- Thinking of organising a quiz/open mic night, keeping in mind the requirement of up to 3 Ents events per term.

**Gemma (CCE)**

- Suggested researching whether the squash court can be turned into an all-sport venue. Regardless, more gym and sports equipment can be purchased.
  - Anyone with ideas should suggest them so that Jack can look into potentially using JCR budget reserves.

**Izzy (LGBTQ+)**

- The JCR cupboard needs to be reorganised, and help will be needed.

**Ritika (President)**

- Peterhouse Alumni Society: President wants to increase contact between students and alumni, and organise an event.
- Following one of the motions in the last JCR Open Meeting regarding the treatment of non-college societies booking college meeting rooms as commercial bookings, Ritika has drafted a proposal.

**Jessica (VP)**

- Inquired into access to information for disability support.
  - Iris will be working on a flyer with information on resources to access for disability and neurodivergence diagnosis and support.
  - Lewis will be working on a flyer with information on resources available at Peterhouse during times of financial hardship.
